The Friends of the William Hogarth School*

St Michael's Players was founded in 1949 by members of St Michael's Church congregation and although we have cast our net wider in the intervening years, we still have a close association with the church in Elmwood Road, Chiswick.

Indeed, with the building of the new centre, we are literally attached to St Michael's.

We have at least two full productions each year, a one-act play and a panto. As well as the plays, we enjoy other activities together - such as our summer party, the summer Bar-B-Q, the annual dinner and, of course, play readings.

We are always delighted to welcome new members, whatever their skills. With such a small group (only about twenty-five seriously active members), we need talents of every kind - scene designers, painters and builders, costume finders and makers, lighting and sound wizards, stage managers, business managers and front of house gurus, directors and producers, prop researchers, publicity promoters, prompts - oh yes, and **actors**.

If you have any (or all) of the above aptitudes or would just like to have a go, please contact us at
